### The Altigen VoIP Phone System

Altigen's Integrated VoIP business phone system includes:

- Windows Server-based IP PBX
- Windows Telephony Client
- Auto Attendant
- Exchange Server 2007 Unified Messaging
- Call Reporting
- Automatic Call Distribution
- Call Recording
- Interactive Voice Response
- Windows-Based Administration
- Computer Telephony Integration

## VoIP Mobility

**One Number Access - This allows specific callers to reach you at up to four different numbers.**

- Program up to 4 different numbers that you can be reached at.
- If call isn't connected, caller has the option of leaving a message or dialing another extension.
- Built-in Scheduling enables calls to be restricted by Time of Day or Personal Scheduled
- Access control based on Caller ID and optional password requirements.

**VoIP Remote Extensions - Deploy Altigen VoIP Phones in Remote locations Worldwide.** The phone will operate as a regular extension for remote business users or call center agents.

#### Limiting Risk

Altigen is capable of operating as the company "report card". All activity may be monitored, measured and managed the same as an employee sitting in the office. **With call detail reporting and even call recording of remote calls, you have complete control of how remote employees are working.**

### **Innovative and Altigen - Unify Your Life and Increase Productivity**

Utilize Unified Communications Solutions and Increase Productivity. Unified messaging has finally become a standard. Have your emails and voicemails sent to one place - access them from anywhere.

**Let us show you how:  
November 6th at 3pm.**

In today's tough economy, it's important to research your purchases. Why not choose a product that can grow with you.

With a software based product like Altigen, that can be installed, run and updated on an Intel based server, deploying a new phone system or upgrading your current Altigen system is easy.

Altigen is offering great financing. INNOVATIVE is your Altigen partner and now is the time to take advantage of smart ways to save money and financing options.

**Come in for a FREE LUNCH  
COMPLIMENTS OF ALTIGEN**

And listen as John H. Johns and Travis Burriss from Altigen go through the steps on how Altigen can increase your productivity with VoIP Unified Communications Solutions.

### **Innovative's Go Green=Save Green Event Featuring Control 4**

Here we have Angela Turner greeting and assisting people as they come in.

Rick LeBlanc from Connected Homes speaks with Chris and Martha Handzel while Chris Wilson from Hunter Douglas digs into some crisp grapes.

Here's a special  
*Thank You*  
to all of our supportive  
Vendors and loyal  
Customers for making  
our Go Green - Save  
Green Event a success!

It was great to see every-  
one. We even saw some  
new faces!

Thank you for taking the  
time to come out to learn  
more about our products.

Congratulations to  
Zacarias DeJesus - the  
winner of our raffle prize,  
a Toshiba DVD player!

John H. Johns introduces Mike Woods our Sales Representative from Control4.

Steve Libin from Totem Acoustic and John Lazono from ClarityAV talk business after the presentation.

### **AltiGen System History & Facts**

- AltiGen has had reliable VoIP capability since 1999.
- One Number Access has been standard in all AltiGen systems since 1996.
- They have over 10,000 customers worldwide, with over 15,000 systems in use.
- AltiGen Finance offers flexible pricing plans, designed to meet your distinct budget requirements
- Unified Messaging lets you receive all of your messages in one inbox.
- AltiGen holds weekly Webinars led by an AltiGen Expert. They include a live demo and open Q&A session.
- Adherence to widely used standards, allows AltiGen solutions to integrate and leverage a company's existing technology investment.
- Call Recording & Call Activity Reporting help customers have complete control of how remote employees are working.

### **Receive an American Express Gift Card**

Thanks to loyal customers like you, INNOVATIVE is growing faster than ever! We certainly couldn't have done it without the help of our customers referring their friends and colleagues. That's why we'd like to thank you for your referrals with an American Express Gift Card.

All you have to do is refer a business owner or IT Manager in the Corona and Chino areas to INNOVATIVE who is looking for any of the services we offer. As a token of our appreciation, we'll send you a gift card.

Just consider this our way of saying "Thanks!"

To send us a referral, simply call President John H. Johns at 800-875-5675 Ext 101 or send him an e-mail to info@purelyinnovative.com. Tell your friend or colleague to mention your name when they call.
